

Dear Prospective Volunteer,

We want to acknowledge and thank you for your desire to become a part of Celia's House in Holmes Park. It takes many volunteers doing a variety of jobs to successfully run this essential service and we look forward to adding your unique skills to our community.

Who is Southern Oregon Friends of Hospice?

Southern Oregon Friends of Hospice is a 501(c)(3) non-profit organization with a mission to raise awareness and provide financial support for end of life care programs through collaboration with our Rogue Valley community. Our vital purpose is to create and sustain Celia's House, a 12-bed hospice residential care facility in Medford, Oregon. We envision a community whose residents have access to compassionate and individualized end-of-life care.

What is Hospice? Hospice provides end-of-life care and dignity for patients and families. In the United States, Medicare certified hospice offers multi-disciplinary providers including visiting doctors, nurses, social workers, chaplains and volunteers focused on quality of life for dying patients and their loved ones. Although 80% of Americans wish to die at home, only 20-30% actually do. In Oregon, 52% of people die with hospice support, but 44% of those hospice patients are not able to be cared for at home for many reasons. This is why Southern Oregon Friends of Hospice has created Celia's House, a specialty residence for dignified end-of-life care.

Volunteer Opportunities

Following are descriptions of the most common volunteer positions, but everyone has unique skills so if you have another talent to share please list it on the application.

*Resident Support Volunteer** - These volunteers are an essential part of providing high quality care to our residents and their families. While staff members take care of medical needs, Resident Support Volunteers are trained to support the mental and emotional well-being of residents and their loved ones. This position requires training and an interview process.

*Front Door Greeter Volunteer** - Set a welcoming tone as the first person to meet people as they enter the house, help check in visitors, and be a helpful presence in the ground floor common spaces of Celia's House.

*Cooking/Kitchen Volunteer ** - Do you enjoy making the house smell yummy with sweet and savory aromas from the kitchen? Kitchen volunteers support the kitchen in many different ways including creating soups or main dishes or baking cookies. They also bring meals to our residents and help clean up the kitchen afterwards.

Garden Volunteer * - Our hospice care facility is surrounded by beautiful botanical gardens. If you have a green thumb or just like digging in the dirt we are always excited to have volunteers help maintain our idyllic park like environment. No experience necessary!

*Music Volunteer** – Play music at the house for resident and family enjoyment and enrichment.

Maintenance Volunteer * - Help to maintain the house. We are always happy to have people help paint, clean, or repair items around the house.

Community Outreach Volunteer * - Help us to spread the word about the Celia's House and Special Events. This could include handing out flyers or arranging talks with community groups.

Special Events Volunteer - Assist with organizing the special events held by Southern Oregon Friends of Hospice.

Office Volunteer - Like with any organization we have filing, website, and other general administrative work that needs to be done, and we are happy to have volunteers help in the office.

** We ask that all volunteers who work at Celia's House complete our Culture Orientation to introduce volunteers to our mission, values, and aspirations, the house itself, staff members, other volunteers, and the concept of mindful presence with people at the end of life and their loved ones. Additionally, the state requires a background check be completed on volunteers with any level of resident contact.*

Thank you again for your interest in volunteering with Southern Oregon Friends of Hospice. We are a volunteer driven organization and are deeply grateful to all of our volunteers who give their time and energy to help us accomplish our mission! There are many meaningful ways you may choose to become involved with Southern Oregon Friends of Hospice. To get started please fill out the attached application and return a digital scan or mail the completed form. We will happily answer any questions via phone or e-mail.

Sincerely,
Eleanor Crescenzi

Thank you for completing your application to Southern Oregon Friends of Hospice.

Resident Support Volunteer Application

By checking this box, I acknowledge that: I will complete an interview with the volunteer coordinator and I am willing to complete an extended Resident Support Volunteer Training before beginning my volunteer service.

Why do you want to be a Resident Support volunteer?

Please briefly explain your experiences with dying and/or hospice.

What skills, and qualities do you think you have that would make you effective at the bedside?

What training have you previously received you feel will aid you in this volunteer position? (No level of training is required but we would like to know where you are coming from.)

What do you see as your greatest challenge working with Celia's House Residents and their families?

During your experiences of loss and illness in your lifetime what was it that supported you most, or pulled you through?

If you need additional space feel free to use the back of pages or attach additional pages.

I (print name) _____ certify that I am submitting my application to be a Resident Support volunteer staff member at Southern Oregon Friends of Hospice.

Signature: _____ Date: _____
