

Mission

The mission of Southern Oregon Friends of Hospice is to sustain Celia's House in Holmes Park, to ensure dying individuals and their families are exceptionally cared for, and to promote broader knowledge on the benefits of end-of-life palliative care throughout our community.

Vision

Our vision is to create a community which understands and transforms the dying process into a time of opportunity for meaningful closure—with support offered to each dying person, their family, and to the dedicated caregivers who serve them.

Values

- Providing comfort (physical, emotional and spiritual care)
- Nurturing and teaching a culture of compassion
- Respecting the uniqueness, dignity and preferences of each individual
- Seeking to be as inclusive as our resources and sustainability allow
- Listening to, and honoring each person's experience
- Supporting the healing of grief and personal relationships

Standing on the Shoulders of our Founders

Our founders raised funds, purchased, and managed a gracious home in a beautiful setting to care for hospice residents. Celia's House has set the standard and continues to lead as a unique nonprofit model for end-of-life care throughout Oregon. From this foundation we are now free to focus on our future, providing the best end-of-life service to the Rogue Valley.

This year has been good to us in the face of headwinds: Covid-19, a community-wide shortage of caregivers, and an ambitious aspiration to serve residents from all backgrounds and financial needs.

Our Accomplishments

- Provided care for everyone who needed us, regardless of their financial situation
- Recruited and retained compassionate staff
- Simplified admission processes
- Volunteers returned to support residents, loved ones, and staff
- Expanded our No One Dies Alone program
- Strengthened relationships with hospice partners
- Educational outreach increased
- Websites updated and improved
- The HUB continued to be the boutique resale shop of choice

For this fruitful year, I want to say a big **thank you** for believing in our mission, our values, and our work.

Dwight Wilson, *Executive Director*

Evolving as a Board & Organization

To be effective, boards change and evolve as their organizations change and grow. This year, our Board transitioned from involvement in day-to-day operations to a financial and strategic governing role, focusing on priorities for our organization's long-term success. To fulfill our vision and goals, we rely on our strong executive leadership, capable administrative and clinical teams, and effective use of committees and volunteers.

We expanded our Board of Directors to help us better reflect the diverse community we serve, and set community outreach as an important priority.

From the inception of the first Board in 2009 through the opening of Celia's House into the present, your support for Southern Oregon Friends of Hospice has been invaluable to our success. As President, I have the honor of speaking on behalf of our organization to express enormous gratitude for our competent and compassionate staff, committed volunteers, and generous donors.

"You made the last several weeks of my husband's life so rich. You spared me the challenges of care for him at home and gave us time to talk and reminisce and basically, 'finish well.'"

—Marilyn

"I like to spend time getting to know each resident — taking my time rather than rushing through the 'tasks' of caregiving. I want to build their trust and let them know I am there for them."

—Mackenzie Mejia, Resident Services Coordinator & Admissions

"Your kindness to the residents and their loved ones lives far beyond the moment and becomes part of the fabric and story. Please continue your beautiful, loving work."

—Resident's daughter and son-in-law

Care with Kindness

Celia's House is the only nonprofit residence for hospice care in Southern Oregon. We provide a personalized alternative in a beautiful and calm environment. Our skilled and compassionate staff focus on comfort, quality of life, listening to concerns, and honoring wishes. Celia's House and our hospice partners provide 24 hour care. All costs are inclusive and do not change during the resident's stay.

Our guiding principles: Be kind. Be present. Be real. These are much more than concepts; they embody the dedication of our staff and volunteers to see and respect the unique humanity of every person we serve.

"If my family needs hospice care I want them to be at Celia's House."

—Care staff member

Help Sustain Celia's House: Now and For the Future

When someone receives a terminal illness diagnosis, everything changes. Family or friends often move into the role of caregiver, each navigating their unique path through the chaos of coordinating and providing care, one intense day after another.

Most people prefer to die at home with support from hospice, but as care needs increase, it is not always possible. In fact, more than half of Americans do not die in their own homes. Celia's House meets an essential end-of-life need; a dignified option for a final home that offers nurturing care, without regard for ability to pay.

We rely on your support to make our success possible. Please contribute today by returning the enclosed remittance envelope or go to: www.sofriendsofhospice.org/donate-online.

There are other ways to give and I am happy to answer your questions. You can contact me at (907) 713.7814 or at: lily.herwald@sofriendsofhospice.org.

At Celia's House, we focus on what is important to the dying person and their family. We are honored for the opportunity to provide comfort. Your generosity makes this possible.

With deepest appreciation,
Lily Herwald,
Development Director

A Trusted Source of Funds

Starting with a handful of volunteers and a parking lot sale 14 years ago, The HUB serves as a trusted source of funds for Southern Oregon Friends of Hospice and Celia's House.

Incredible Volunteers

The Heart & Soul of Southern Oregon Friends of Hospice

A small group of volunteers founded our organization in 2009, and many of them continue to serve today. Volunteers play a vital role in our unique model of care, and are essential to fulfilling the mission and vision of our organization. We could never have accomplished so much without them.

"My partner was a resident here last spring. After he passed, I wanted to give back to this caring environment by volunteering." -V. W.

"My committee work for Southern Oregon Friends of Hospice continues to feed my soul with mutual support, creativity and accomplishment." -Cheryl F.

We are so grateful to the 165 volunteers who assist in many ways:

Serving food • Visiting residents • Offering massages
Playing music • Caring for our garden
Serving on committees • Coordinating special events
Working in the office • Offering pet therapy
Sewing quilts for every resident
Welcoming visitors • Working at the The HUB
Serving on our Board and Honorary Board

"We are so thankful for all that Celia's House did for my mom. There is no way we could ever have afforded that kind of care. I'm so appreciative of everyone who made the Care Fund a possibility for her." –J.W.

"I appreciate the love and support offered to myself and my father: caregiving, friendship, walks, phone calls, guidance. Last year was difficult, you helped make it easier." –C.S.

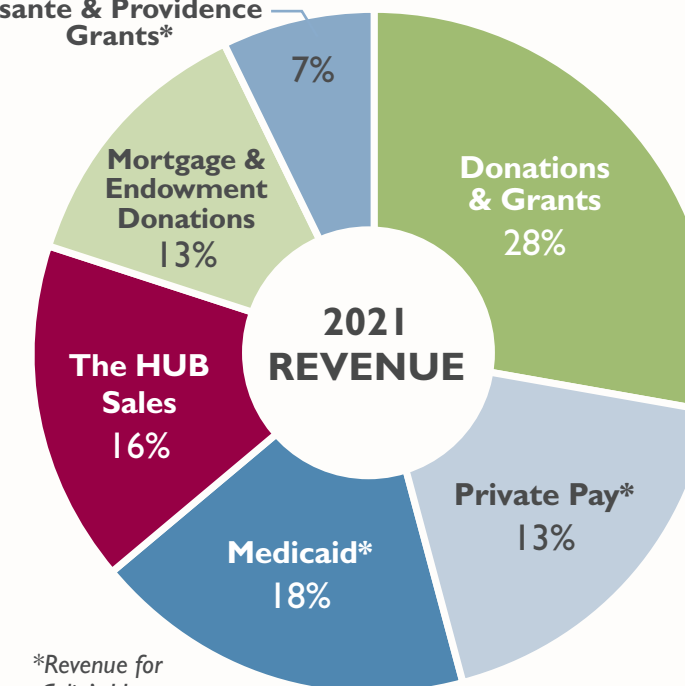

"Thank you all for taking the paths in your lives that brought you to us in our time of need. There are too many of you to name! We will never forget you." –The K. Family
