

## CELIA'S HOUSE

Nonprofit Residence for Hospice Care

### Providing Kindness & Care

From the moment a new resident is brought to Celia's House, care is offered in a personalized, tender, and dignified manner. Our focus is on what's important to the person facing the end of life, their family members, and friends.

#### *Personal Quilt*

Shortly after arrival, the new resident is encouraged to select a hand-made quilt that is theirs to keep and pass to a family member or loved one, if they wish. The quilts are made with love and donated to Celia's House by local quilt makers.

#### *Support Volunteers & Visiting*

Volunteers visit daily, providing companionship, advocacy, and listening to residents' concerns.

Families and friends are welcome to visit in the resident's private room or hold gatherings in the main areas of the beautiful house and gardens. Puzzles and books are available in the library, as well as a cupboard of toys for children.

## Meals

Our nurturing chefs and cooks tailor homemade meals to meet the resident's desires, tastes, and needs. Family meals are provided by the Acton Black Family Food Program, created by a grateful family in memory of their beloved father.

## No One Dies Alone Program

We are proud to offer bedside companionship for residents who are alone at the end of life. This program also supports family and friends who are unable to be with their loved one as they near death.

*\*Please talk to a staff member or volunteer if you are interested in this program.*

Celia's House in Holmes Park

217 S. Modoc Avenue, Medford, Oregon 97504

Southern Oregon Friends of Hospice, a 501(c)3 nonprofit organization, supports end-of-life care through management of Celia's House and Hospice Unique Boutique.
